CSES INAUGURATION

INAUGURATION

// We are delighted to share that the Computer Science and Engineering Society (CSES), NIT Warangal successfully conducted its inauguration ceremony for the academic year 2025-26. The event was graced by our Faculty Advisor, Dr. Ravichandra Sadam, and our Head of Department, Professor Rashmi Ranjan Rout, who shared their insights and encouraged students to make the most of the year ahead.

KNOW YOUR BRANCH

INTRODUCTORY WORKSHOP

// We hosted "Know Your Branch" - an interactive session designed especially for our freshers. The event helped them explore the diverse fields of computer science, understand the exciting opportunities ahead, and interact with seniors. Fun games, engaging discussions, and exciting prizes made the evening even more memorable, fostering a strong bond within the CSE family.

150+ Attendees 3 Prize Winners 12 Sept 2025

FRESHERS PARTY

CINEMATIC NIGHT

// CSES hosted a Freshers Party to warmly welcome the incoming first-year students and help them become a part of the CSE community. The event followed a cinematic theme, creating a vibrant atmosphere filled with music, interactive activities, and memorable moments. It offered students the perfect opportunity to unwind, connect with their peers and seniors, and begin their journey in the department on an enjoyable and energetic note.

📅 7 Oct 2025

GIT WORKSHOP

TECHNICAL WORKSHOP

// Participants learned the basics of Git and GitHub, including branching, merging, and contributing to open-source projects. Through hands-on exercises and interactive demos, attendees gained practical experience with version-control workflows while enjoying engaging discussions. Due to the high demand, we also conducted a follow-up Git Workshop (Part 2) in the following days to dive deeper into advanced concepts.

120+ Developers

80+ New Github Accounts

24 Sept 2025

// CSES, in collaboration with QC and SDC(BDACC), hosted Quiz.exe, a comprehensive computer science quiz designed to test participants across the full academic spectrum. Covering topics ranging from sorting algorithms and statistical models to CPU architecture and cloud computing, the quiz presented a diverse set of challenges that reflected the breadth of the CSE domain.

 100+ Participants  3 Winners  9 Oct 2025

CAREER LAUNCHPAD

WORKSHOP

// Our senior students who bagged internship and placement offers shared insights into the interview process. Covered strategies for preparation, navigating technical and HR rounds, and the challenges they faced during their journey. Their stories provided guidance and motivation for juniors to approach interviews with confidence.

HELLO WORLD

BEGINNER CONTEST

// An exclusive coding contest for first-year students, designed to introduce them to competitive programming through beginner-friendly problems. The event helped participants build confidence, develop foundational problem-solving skills, and experience a structured contest environment.

100+ Attendees

5 Winners

21 Oct 2025

NO BUGS GIVEN – TZ

DEBUGGING COMPETITION

// A fast paced debugging competition that tested participants' ability to identify and fix logical and syntax errors under time pressure. Each round escalated in complexity, challenging coders to think critically and debug efficiently while racing against the clock.

100+ Participants 3 Winners 24 & 25 Oct 2025

ARCADE – TZ

TECHNICAL SHOWCASE

// From retro classics to adrenaline pumping races, Arcade brought pure gaming nostalgia to life. The highlight was Buckshot Roulette, a custom built game developed entirely by our Dev team exclusively for Technozion. With 250+ players, every match was filled with cheers, comebacks, and that "just one more game" energy.

 250+ Participants

 100+ Tech Simulations

CORPORATE LIFE WORKSHOP

GUEST SESSION

CSES

How to be Happy and Successful in Corporate Life?

BY

MR. SHAILESH BASANI

NITW, CSE (1989-1993)

- Manage workplace stress
- Build authentic relationships
- Align values with your career
- Develop emotional resilience
- Thrive in the corporate world

DATE: 01/08/2025

TIME: 5:30 p.m. onwards

VENUE: Seminar HALL

// CSES hosted the workshop "How to be Happy and Successful in Corporate Life", led by NITW CSE alumnus Mr. Shailesh Basani, who brings over 25 years of industry experience. He discussed key principles for a balanced professional life, emphasizing value-driven living, the role of yoga in well-being, and practical stress-management techniques.
